As Facilities Manager, Leandra Alexander oversees every aspect of the firm's building operations. Responsibilities include building maintenance and vendor management. She joined the firm in 2006 as a Facilities Coordinator and was promoted to Facilities Manager in 2013. Managing a staff of seven within her department, Leandra also oversees the firm's Records and Office Services departments. Though Leandra's day is busy supervising the many office activities across the firm, she is always welcoming of the guests in our busy workplace.

Leandra is a member of the International Facilities Management Association.
